## Lieutenant Colonel Paul Park

About Me Contact Me Projects

### MSAI Student at Johns Hopkins University

My name is Paul Park and I am an active duty Army Special Forces Officer. I am from Riverside, CA and graduated from the United States Military Academy at West Point in 2008 with a Bachelors Degree in Nuclear Engineering. My Army career started in the Infantry until I transitioned to Special Forces in 2013. I am currently assigned to Special Operations Command, Pacific in Camp H.M. Smith, O'ahu, Hawai'i. I am currently working towards a Master of Science in Artificial Intelligence at Johns Hopkins University.

About Contact Me Projects

### Module 1 Project: Personal Website

#### Details about my Module 1 Project

I created my Module 1 Project by learning Flask and using Python, HTML, and CSS in combination. It includes a home page with personal information, a contact page with information on how to reach to me, and a projects page, which includes information about this current project and future ones.
